Save the Date!

**TFRI BC Node Inaugural Research Day
Thursday, December 1, 2011**

On behalf of the Terry Fox Research Institute (TFRI) and Dr. Marco Marra, leader of the TFRI BC Node, we invite you to ***mark your calendar*** to attend our **1st Annual TFRI BC Research Day**. This event will be held in Vancouver, and is aligned with the BC Cancer Agency Annual Cancer Conference. For the TFRI Research Day, the TFRI BC Node will cover the registration costs for eligible attendees.*

In particular, we wish to encourage researchers of currently funded Terry Fox projects to participate and present at the event. The agenda has space for up to five researcher presentations (30 min) plus 5 trainee presentations (10 min). There will be a **Poster Prize**.

Abstracts can be submitted via the web site www.bccanceragencyconference.com. Please be sure to indicate that the abstract is for the TFRI Research Day to be considered for that agenda and for the **TFRI Poster Prize**.

When: Thursday, December 1, 2011
1-6 pm: Researcher and trainee presentations
6-8 pm: Poster session mix-and-mingle

Where: Westin Bayshore Hotel, Vancouver

More details to follow.

Please mark your calendars and plan to attend this exciting inaugural event.

For more information, please contact:

Robyn Roscoe, BSc, PMP
Head, Strategic Planning and Project Management
BC Cancer Agency Genome Sciences Centre
100-570 West 7th Avenue, Vancouver, BC V5Z 1T1 Canada
P. 604-707-5963, F. 604-877-6085 e-mail: rroscoe@bcgsc.ca

* Attendees eligible for registration sponsorship are participants in current TFRI-funded research projects, as well as invited guests of TFRI partners. Others may apply to the TFRI BC Node for sponsorship to this event. Contact Robyn Roscoe for more information about registration cost coverage and reimbursement.
